in appreciation

Mrs. Gail Smith

Mr. Robert Cunningham

The Senior class of 1968 expresses its appreciation to its class advisors, Mrs. Gail Smith and Mr. Robert Cunningham. Without their assistance the many activities sponsored by the class in the last four years would not have attained the success which they did. The Junior Prom, for example, was a complete success thanks to their guidance and cooperation.

Fortunate indeed is the class which next acquires them as advisors.

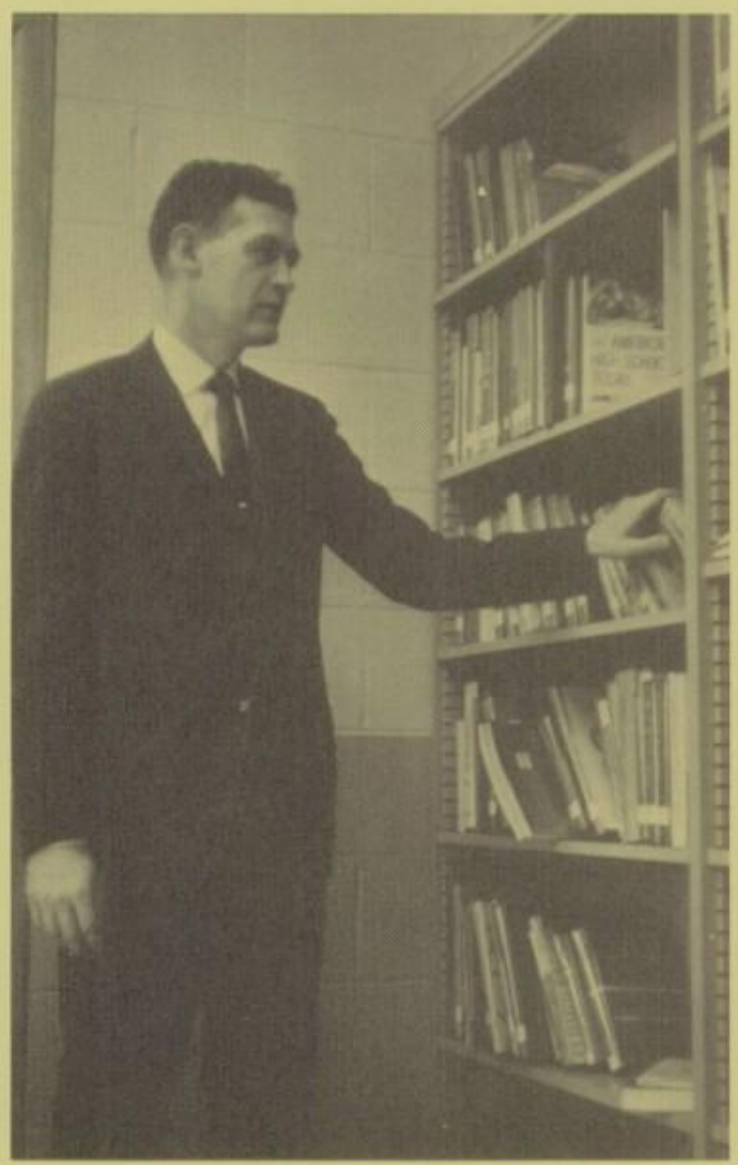
in dedication

We the class of 1968 dedicate this yearbook to Mrs. Mary Ross. Mrs. Ross is a graduate of the University of Maine and has been teaching at Waterville High since 1946. Among numerous outside activities Mrs. Ross has held offices in the Waterville Teachers Club, the Kennebec Teachers Association, and is active in the University of Maine's Alumni Association. Mrs. Ross is a former President of Kappa Chapter of Delta Kappa Gamma, which is an international honorary society for women teachers. In 1967 she served on a committee to revise the State Business Education Curriculum.

Waterville High School has expanded its Business section and new Business subjects have been introduced under Mrs. Ross's leadership. She also founded the FBLA club at Waterville High.

We wish to express our sincere appreciation to you, Mrs. Ross, for your continuous efforts and interest for Waterville High School.

mr. stanford trask
principal



mr. leonard mcginnis
vice principal

Waterville High School under the leadership of Stanford Trask and Leonard McGinnis had a very successful and busy year. There have been many new courses offered and every effort made to increase the student all around abilities. Plans have also been made to start other new courses in the fall. The Administration wishes the class of 1968 the best of luck and success in the coming years.

class officers

The year 1964 was the year of the "grand entrance" at Waterville High School for the Class of 1968 had arrived. From the first welcoming assembly in the heat of the balcony we were destined to be the class with class; the group of groups. The days of corridor shuffling, cheering, schedule cards and rally posters were upon us. The hours of study had now hit a new peak. Yet with this came the realization that it was better than before for we had been challenged. Our class is a class that met these challenges with spirit not as a group but as a class. From that first day of schedule changes, best wishes and new faces we were challenged and from the second day on we surmounted the challenges and took pride in our victories. Four years have passed that in reflection seem as one, they are gone only to be remembered but never recovered.

Our years were brief, our spirit unmatched and our memories unclouded by the happinesses we felt at a victory, a no school announcement or the out-of-ordinary events that painted our years in bright thoughts and untarnished hopes. To surmount we must be challenged, to challenge we must have knowledge, to have knowledge we must have interest; for all these qualities we thank our teachers who rarely failed to answer our questions or to encourage our ambitions.

Our days as freshmen are over, our days as sophomores are past and our year as Juniors is memory but our years as the class of 1968 are always ours for we are the only class of 1968 Waterville High School shall ever have . . .

Elaine Poirier, Class President
Dick Dyer, Class Vice-president

berit

Hei!

Thank you everybody for making this year at Waterville High one of the most wonderful in my life. Ever since I first came here, people have shown me such kindness and hopsitality as I've never seen before.

I've made a lot of good friends here, and I hope I'll keep them. I really want to come back some day, and I also hope that some of you will be able to come to Norway to see what my country is like. I'd love to see you, and would be happy to show you around.

Love,
Berit

Berit Nakling—Proud citizen of Norway and Waterville, Maine, U.S.A.!

Certainly Norway's loss this year was our gain; the beauty and culture of Scandinavia were never more aptly displayed. We shall miss Berit, but we will never forget her Norse charm and warmth.

Our best wishes for success and happiness follow her always.

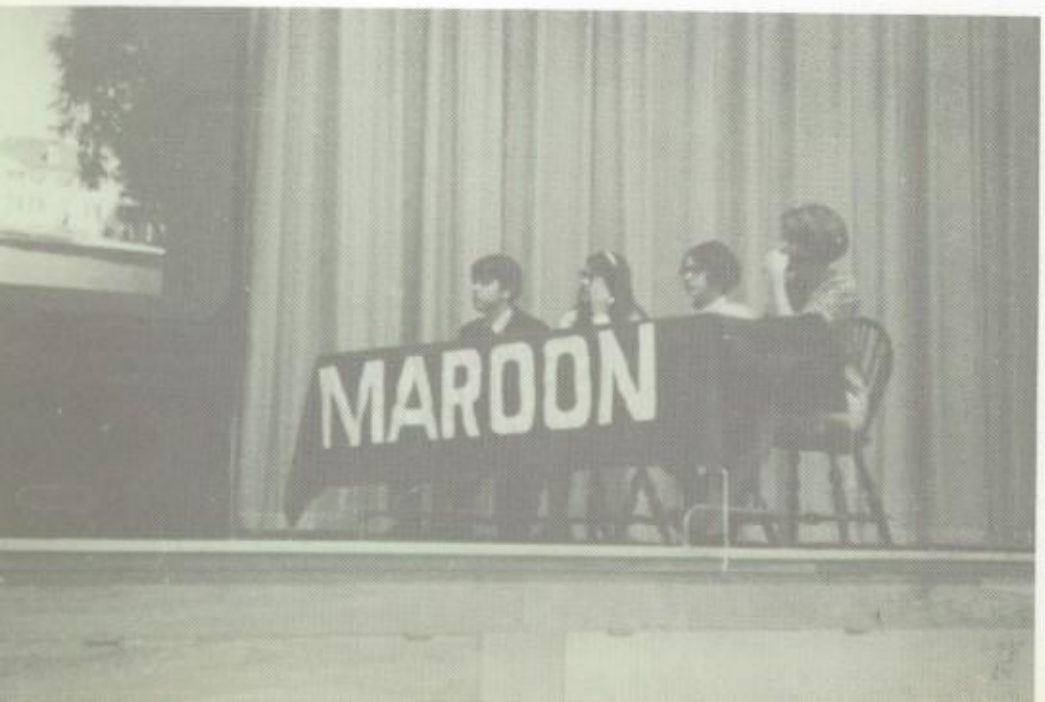
cum laude



Cum Laude is made up of the top ten per cent of each class . . . five per cent elected each of the Junior years and the remaining five percent in the Senior year.

This year the Cum Laude members organized a tutoring service available to students needing help in a particular subject. Members voted to affiliate the club with the National Honor Society, being called Cum Laude Chapter. Cum Laude has, as in the past, promoted lectures both at Colby College and at the high school.

The Future Homemakers of America is a national organization of students designed for the purpose of developing the qualities necessary for the successful family living. It offers each girl an opportunity for the future development of initiative in planning and carrying out activities relating to family life and homemaking.

The installation of officers and the initiation of the new members was held on the first of November with Lorraine Doucette, a past president, as the installing officer.

Under the supervision of Mrs. Taylor, Mrs. Percival, and Mrs. Varnum, the chapter had a successful year planning and having activities such as: attending the District and State Conventions, preparing a Thanksgiving basket for a needy family, Christmas toys for children at the Home for Little Wanderers, and F.H.A. week.

The Spanish Club plans for this year a multitude of interesting events. Guest speakers from Colby have been invited to speak at our many meetings.

Attempts are being made to have their first Spanish College Bowl game.

A trip to Boston to see a ballet from Madrid is in its early planning stages. The club has recently sent $20.00 to a South American school badly in need of desks and chairs.

Although the EMAC Club has been financial problems, they have had definite plans for future projects. Among these are the erecting of two—Christmas trees on the roof of the school building, a proposed bottle drive, and other fund raising activities to accumulate money for an EMAC scholarship awarded to some deserving student, a Father and Son Banquet with invited speakers on vocational education to inspire their future service in the adult world.

The W. H. S. Pep Club has done an outstanding job this year. Members made a fine showing at the rallies during the football season.

The first meeting, held in late September, was a real success with many new members attending. New officers were elected.

The club submitted a fine float to the "Veterans Day" parade, which received first prize for being so attractive. Many money raising projects were sponsored which proved successful. They consisted of a food sale, the selling of shakers at the Waterville-Winslow football game, and a well attended dance.

Members encouraged the basketball and hockey teams with much enthusiasm at the games.

Danny,
It's been really great knowing you. I'll never forget the night of the Junior Prom — too bad it couldn't have been warmer at your camp that night. Well be good. Have a nice summer

art

The Art Club is once again an active club with its new ideas and contributions to the school. Under the leadership of President Dick Dyer, and Vice President Scott Libby the club started the year with a dance that was so completely unattended that it turned into a private Art Club bash.

The club has met regularly and put up several exhibits in the Model Library—an exhibit of country store articles collected and owned by Dick Dyer, an exhibit from Colby College, a show from New Jersey and others.

A trip to visit the Wyeth Collection at the Farnsworth Museum in Rockport shall end the year. A year that easily proved to be one of the Art Club's finest and most profitable.

EXPRESSION proved two things . . . First it showed that a literary magazine of fine quality could be published and secondly it proved once and for all that there were many potential Shakespeares, Steinbecks, and Emersons.

The magazine was far improved in both quantity of material and the quality of its contents. It gave the school much to be proud of and its future as a major school publication is to be one of improvement and innovation.

The "W" Club enjoyed an exciting year. The club started the year by donating eight hundred dollars toward the purchase of a scoreboard. This money had been raised by not only this year's club but those "W" Clubs of the past four years, and was accumulated by hard work and a fighting spirit. This year's club sponsored several outstanding dances, and the ravishing "All America Redheads", a semi professional girls basketball team. Always high on the list of club events and a popular school entertainment was the "W" Clubs initiation. Initiates in pajamas, dresses, and shorts, roamed the halls bowing for members of the club who had been through the grind in past years. The club ended the year with the awarding of a twenty five dollar scholarship to a deserving student.

STUDENT COUNCIL

The Student Council's major projects this year are the raising of one thousand dollars for a Peace Corps school in South America, and revising the old Constitution Councils.

The council also hopes to prepare a Buzz Book, and a school handbook for next year's use. Many students suggest reorganizing of the old student court and changing the locker break. Both problems are currently being taken up.

As fund-raising projects we have had a dance featuring a band from Bath and canvassed Waterville selling Nestles's Candy Bars.

LW3, consisting of the Waterville High School Radio Club and area clubs, had a very rewarding year "on the air."

Every Saturday morning, when you normally would tune into WTVL, you would hear the cheery voices of the Radio Club bring you news of school functions and the latest sound in music.

We participated in an exchange broadcast with the Skowhegan Radio Club on WGHM.

We would like to thank Mr. Stevens, our new advisor, for giving his time and energy in helping our club become a success.

G.A.A.

The Girls Athletic Association is an organization to promote and supervise girl's sports. Membership of the G.A.A. is in conjunction with the Maine State point system, and meetings are held twice a month.

The annual G.A.A. initiation took place in October. New members appeared in school dressed conspicuously in various costumes throughout the school day, and served as slaves to the old G.A.A. members.

During the year the club has held many money raising projects. At Christmas they collected and repaired toys to donate to the Home for Little Wanderers. They also held several outings, play days, and included a field hockey game with the boy's soccer team.

PANTHER STAR SHINES FOR PRO'S

Waterville Highs own John Huard excells for Denver Browcos

John Huard of Waterville has become one of the most highly publicized athletes in University of Maine and Waterville High School history. John first attracted national interest in 1965 when he was named to the first team of the Little All-American selections. He then became the only player to repeat on the first Little All-American team in 1966.

John set a university record for the most unassisted tackles in one season with 105 in nine games in 1966. He also set university records for the most unassisted tackles in one game and the most combined tackles, both unassisted and assisted, in one game.

Among the honors won by Huard while he competed for the university were these: twice a Little All-American; twice named All-New England; twice named to the first team of the Eastern Collegiate Athletic Conference; twice named All-Yankee Conference; named to the New York Times' All-East football team in 1965. He was co-captain of the 1966 team. In 1965 and in 1966 he was named Maine Athlete of the Year.

Probably the pinnacle of his university career came in 1966 in a game against Rhode Island which Maine won, 21–6. In this game Huard blocked a punt and returned it for a touchdown. The next morning the New York Times in a headline on its sports pages said, "Huard 14, Rhode Island O—Maine defeats Rams, 21–6".

Huard was also voted the outstanding defensive player in Maine's only post-season bowl game, the Tangerine Bowl, at Orlando, Fla., in 1965.

John is married to Helen Liberty, a former Waterville High Cheerleader, and they are the proud parents of a daughter.

This years basketball team has had one of their finest seasons in many years. Going into the tournaments with a 15 and 5 record (including 2 wins in a Christmas Tournament). The Panthers are looking for the Eastern Maine Crown and a chance at the State Title.

The Panthers have been led by Senior Captain Jim Bizier with not only his rebounding and outstanding defensive play but he is second highest scorer. Leading the team in points is sophomore, Mark Noel. Steve Black, Jerry Patrie, and Gary Ullom are three seniors whom the Panthers always look to for the all around game which they play so well. Dan Hanscom, Fred Smith, and Garrett Hart have been doing a great job all year, coming into the game late and adding the punch needed to bring the Panthers to Victory.

Mark Noel hit for thirty points in this particular game against Stearns . . . Not all too bad for a sophomore.

Co-captain Dave Bolduc takes off around the opposing goal starting the Bolduc Deluxe Setup POWER PLAY, (lethyl).

Hockey

Waterville High's hockey team turned in another great performance this year. However, it reached highlights never seen in previous teams.

Under the direction of "Spat" Roy, Waterville proved it had depth. Coach Roy utilized a powerful three line offense, sparked by a brick wall defense, and sensational goaltending. Waterville split up it's power in this way to keep it's players fresh, while the opposition pushed the usual two line attack. Waterville deviated to two lines only in crucial situations. This plan of attack paid off as Waterville turned in many high scoring games, while allowing little scoring from its opponents.

Many of this year's players lacked experience in varsity games, but they all proved themselves able and ready. This was evident as Wayne Stephens and Jimmy Rancourt made great showings in the nets to the delight and surprise of many fans. Dana Senate, Dean Senate and Danny Bolduc proved themselves in the lines. None of this could have been possible without the experienced veterans. Danny Doyon formulated another high scoring season and was drastically higher in the assist column. Steve Tremblay, Dave Bolduc, and Dick Giguere showed great talent as they flashed many a red light during the season. Paul Boudreau, John Cullen, and Bill Savage also showed good promise for next year.

The defense could not go unaccounted for either. Mike "Crasher" Simpson and Dick "Slapper" Schenck turned in many goals as well as stopping many offensive drives. Rusty Cyr and Mike Roy were fine defensive backups.

Coach Rou had the horses and held the reigns throughout a victorious season to prove this year's team had the best potential talent in the state and in Waterville from other past teams.

Champs Rejoice.

Although none of the girls made all star, they benefited from the experience and passed it along to the others.

Before you accept that first job . . .

Look over your employer as carefully as he does you

What's the Company like anyway? Would I be proud to work there? Reputation for square dealing with employees? Pleasant surroundings?

Will I be working with others my own age? Are they friendly? Do they socialize after hours?

Will the boss be reasonable? Appreciate good, hard work, but won't explode if I make a mistake?

Will I make a decent week's pay? Have a chance for raises, advancement, more responsibility? How about fringe benefits?

Is the work challenging? I had what it takes to get through high school. Will they give me a chance to use my brains?

Note: Many young men and women in this area can answer "Yes" to these questions. They work for New England Telephone.

Why not talk with our employment interviewer soon . . . before you graduate? Ask your Guidance Counselor to tell you when and where to apply.

Danny,

One of the greatest guys around.
I hope we'll be friends forever. You're really a great guy. Remember all the fun we've had in French class. Have fun this summer but try to stay out of trouble. (Ha, Ha, impossible.) I hope to see you next year. Take care.

H.F.F

Tina

Danny, may
you had your
share and downs this
year but everyone makes
mistakes. you're really
a great kid, one of the
sweetest I know. Please be good
this summer because I know you
can make something of yourself. I'm
glad I had the chance to know you
this year. Hope you do well in sports
and every thing you attempt. Be good!!

Love,
Me (Maybeth)
"69"

Danny,
You really expected too much
people on the band exchange trip. But
that's all over. I've known you since
the seventh grade and I haven't seen
any change yet. Don't change I like you as
you are. Take care and stay loose.

See Ya
Terry

"Chicken"

Wm Hallie says that if you could play the saxophone as well with your mouth as you did the tenor. You'd be famous. Finally got a good guy and maybe someday we'll go fishing.

H.F.A.

Love Aunt Mary

Dear Mr. Hallie,

My classmates and I enjoyed your music. We would like to hear you play the clarinet. Do you own one? Is it difficult to play? Please write soon.

Sincerely yours,

Charlene Hummel

P.S. Do you own your own car?
